

## 2022 Live Online Summit Award and Technology Badge Camps For Juniors and Cadettes!

**Get ready** to embark on an adventure that celebrates technology and the out-of-doors that will change the world... all from you own home! Log onto our computers with complete online LIVE step-by-step instruction, and full tech support!

### **Junior Cadette Summit Award Day Camp (\$175/girl)**

*Earn three journeys over the week, including the take action project!*

#### **Think Like A Citizen Scientist (Juniors and Cadettes):**

Help scientists document biodiversity, and NASA measure tree heights and cloud formations, and help spread the word about issues related to the environment!

#### **Think Like An Engineer (Juniors and Cadettes):**

Tinker around with building structures, the design process, and how engineers think! Then use what you have learned to build something to help people with disabilities!

#### **Get Moving (Juniors):**

Play games to learn about the ways we use energy and how it affects the environment... then put your energy to good use in a "take action" video!

#### **Breathe (Cadettes):**

Conduct experiments to see firsthand the effects of pollution, then share your passion for the environment through a video presentation!

***June 27 to July 1, 2022 from 9:00am to 2:00pm, PDT***

### **Junior Cadette Movie Combo Badge Camp (\$125/girl)**

Juniors travel to the past through the "magic" of 2-D animation and green screen! Dabble in stop-motion as well as custom ring tones for your cell phone... and earn the "Entertainment Technology" and "Playing the Past" badges! Cadettes script, film, star in, edit, and produce a video complete with 3-D animation, green screen, and other special effects... and earn the "Screenwriter" and "Digital Movie Maker" badges!

***July 6 to 8, 2022 from 12:30pm to 4:00pm, PDT***
