

Free* Summer Technology Camps

For those Eligible for DDA!

Camps held at Mary Lyon Elementary in Tacoma!!

Summer STEAM Camp

(Completed 2nd and 3rd Grade)

August 14-17, 2023 from 9am to 2pm

Join us for adventures in STEAM (Science Technology Art and Math) in this active time of exploration! Collect data for scientists, complete engineering design challenges, code a simple game, and more!

Mega Movies Junior

(Completed 4th and 5th Grade)

August 7-10, 2023 from 9am to 2pm

Dabble in a variety of animation styles including 2-D and 3-D animation, stop motion, and "talking heads!" Create cool videos straight out of your imagination, including a group project! Share with family and friends!

Coding Campers

(Completed 6th Grade and Above)

July 31 to August 3, 2023 from 9am to 2pm

Code a "retro" style video game, adding animated graphics that tell a story within the game! Learn a variety of animated graphics techniques as well as beginner game development coding.

(425) 644-6074

** Individuals who qualify for respite can and must use their respite funds for payment (or pay with "cash"). Individuals who are eligible for DDA services but do not receive respite, can receive a scholarship for camp paid for by a grant from the Dan Thompson Memorial Fund... awarded on a "first come" basis. Hybrid options (participating Live Online) are available. Cash price is \$430 for the week.*
