Everett, January 22, 2022 from 11:00am to 7:30pm

Engage Thru Tech COVID Policies

Engage Thru Tech takes the health and safety of our participants and staff seriously. All of our instructors are fully vaccinated. In addition, participants will be required to answer the GSWW COVID safety questions prior to each in person workshop. Participants also will receive a temperature check from us upon arrival, and be asked to wear a mask and practice social distancing whenever possible. All equipment will be sanitized prior to use between various participants. For more information or additional accommodations, feel free to email us at info@engagethrutech.com

Registration deadline is 10 days prior to class!
