

2021 Live Online Summit Award and Technology Badge Camps For Cadettes!

Get ready to embark on an adventure that celebrates technology and the out-of-doors that will change the world... all from you own home! Log onto our computers with complete online LIVE step-by-step instruction, and full tech support!

Cadette Summit Award Day Camp (\$175/girl)

Earn three journeys over the week, including the take action project!

Think Like A Citizen Scientist:

Combine your passion for the outdoors with technology... AND connect with scientists! Log nature specimens local to you, collaborate with NASA on cloud, tree, and terrain data... and help spread the word about citizen science!

Think Like An Engineer:

Tinker around with building structures, the design process, and how engineers think! Then use what you have learned to build something to help older adults in need!

Breathe:

Conduct experiments to see firsthand the effects of pollution, then share your passion for the environment through a video presentation!

Session 1: July 12-16, 2021 from 9:30am to 3:30pm OR
Session 2: August 9-13, 2021 from 9:30am to 3:30pm

Cadette Movie Combo Badge Camp (\$175/girl)

Screenplay, film and produce your own video that combines 3-D animation, green screen

and other special effects! Have a blast while earning your "Screenwriter" and "Digital Movie Maker" badges.

July 26-28, 2021 from 9:30am to 3:30pm

Cadette Coding for Good Camp (\$125/girl)

Release your inner coder and earn all three Coding for Good Badges! Create a simple video game and app, and experience coding processes such as algorithms, loops, events, conditional statements, arrays, and debugging!

July 29-30, 2021 from 9:30am to 3:30pm

Attend the entire week of July 26-30, 2021 for only \$250!
